

Thompson Terminal Point Technique Seminar

Saturday, August 7th 2010

9am - 6pm

(Registration:8.30)

New Zealand College of Chiropractic
(Upper Cervical Lab)

6 Harrison Rd, Mount Wellington, Auckland

The Seminar:

An intensive, information packed day presented by New Zealand's only qualified Thompson Terminal Point Technique instructor. Largely practical, the Thompson Technique seminar strives to give analytical skills and adjusting procedures you can start using in your office immediately.

This seminar counts towards **one of three** required for Thompson Technique Certification. Equipment for the practical component is provided however, those with portable drop tables are encouraged to bring them. Course notes will be provided.

	Course Fee: Pre July 10th	/Post July 10th
Chiropractor	\$345	\$395
Student	\$225	\$275

Inc GST and invoices will be provided. **LUNCH INCLUDED**

Note: Seminar fees include 12.5% GST .
